Mr. Howland Wood,

Brookline, Mass.

Dear Mr. Wood:-

Your letter of the 3rd inst. is received, and I am just wondering whether I made any mistake in regard to the return of the Chinese collection. Did you instruct me previously to hold them for shipping directions? You see things came pretty swift during the convention and I may have overlooked it. At any rate, the box arrived safely and the coins and book were displayed in three large cases and attracted a great deal of attention. They certainly made a grand showing. I was too busy to repack it on the closing day of the convention and through the kindness of the Director of the Art Institute they were left in the cases until yesterday noon, when with the assistance of Mr. Michael I packed the stuff and returned it to you by prepaid express. Had your letter reached me one day earlier I could have arranged to keep the exhibit open to the public at the Art Institute indefinitely.

I did not find anyone who was enough interested to care to purchase it, but it certainly is one grand collection.

Hoping that my action in returning it will not greatly inconvenience you, I am

Sincerely yours,

Ben G Green
